CHAPTER 11
CASE NO.: 08-35653 - KRH

Debtors

/ Jointly Administered

**RESPONSE TO DEBTOR'S TWENTY-FIFTH OBJECTION TO CLAIMS
(DISALLOWANCE OF CERTAIN CLAIMS FOR PAID TIME OFF)**

The claimant, John L. Morrison II, files his response to the Debtor's Twenty-Fifth Objection to Claims (Disallowance of Certain Claims for Paid Time off) and states as follows:

1. The claimant's name is John L. Morrison II, #9 Springer Court, Ormond Beach, Florida 32174 and the claim is for paid time off (PTO) in the amount of \$1,723.07. (Claim no.: 5400).

2. The paid time off was earned by me, John L. Morrison II on a bi-weekly basis. Time off was earned in hours and as of the last paycheck received from the Debtors the claimant had earned 78.25 hours at \$22.02 per hour.

3. When time off was taken by me, John L. Morrison II, I was paid equal to my hourly wage for any time taken.

2. The notice, as stated in the debtor's objection, was never given to me, John L. Morrison II, outside TV Technician, in November as the Debtors state in their objection.

3. The only notice given to me is attached as Exhibit "A" page 3 item 6, which states:

"As a result of the bankruptcy filing, Circuit City will not pay Associates unused PTO hours upon termination of employment. To the extent an employee is terminated and at the time of termination has accrued, but has not used PTO, such employee will not receive payment of amounts on account of such PTO at the time of termination. Instead, during the bankruptcy proceeding, each employee (current and former) will receive a Proof of Claim Form. The Proof of Claim Form may be completed by each employee for any "claims", including, without limitation, unpaid PTO at the time the employee receives the Proof of Claim Form."

4. This notice was sent to me via email on or about January 16, 2009, not in November as the Debtor's objection states.

5. By reading of the Debtor's own statement, I believe I am entitled to receive the paid time off I earned while an employee of the Debtor. Claim no.: 5400 filed in this matter.

6. Also stated in Exhibit "A", which was sent to claimant in January, 2009, the Claimant/Employee could have requested time off (PTO time), if approved by a supervisor. There is no mention of not being paid for this time off in the letter sent to claimant in January, 2009.

7. If claimant, John L. Morrison II could have taken time off prior to the company closing its doors, claimant believes he would have been paid for his time off.

8. As a result of the Debtor failing to notify claimant of any new company policy changes prior to January, 2009, claimant was never allowed to use and get paid for his earned paid time off (PTO time).

9. Claimant believed in November and December of 2008 that nothing with his job and/or paid time off had changed. It wasn't until the letter attached as Exhibit "A" was received in January, 2009 that claimant believed he would not be paid for the leave time unless he filed a Proof of Claim with this court. Claimant at no time prior to receiving this objection was notified by the debtor that paid time off did not have any cash value.

9. Claimant, John L. Morrison II requests this court enter an order stating the Debtor, Circuit City Stores, Inc., must pay the requested paid time off as stated on Claim no.:5400 in the amount of \$1,723.07 to claimant, John L. Morrison II, #9 Springer Court, Ormond Beach, FL 32174.

9. Claimant, John L. Morrison II waives his right to attend a hearing and wishes for the Bankruptcy Judge to decide the objection and response. If such a hearing is required, Claimant, John L. Morrison II requests to attend via telephonically, as the claimant resides in Florida and it would create a financial hardship on claimant if he was required to attend a hearing in Virginia.

ANSWERS TO COMMON QUESTIONS ABOUT CIRCUIT CITY'S LIQUIDATION ANNOUNCEMENT

For additional information, please read the press release regarding this announcement. You can find it by visiting <http://investor.circuitcity.com> and clicking on the link for "Breaking News".

Statements made in this document may be considered forward-looking statements within the meaning of the Private Securities Litigation Reform Act of 1995 and are subject to risks and uncertainties. These forward-looking statements include, without limitation, statements regarding the company's expectations concerning the bankruptcy process. Actual results may differ materially from those included in the forward-looking statements due to a number of factors, including, without limitation, developments in the bankruptcy proceedings, the results of the liquidation sales and other matters.

1. What's going on at Circuit City?

- Due to challenges to our business and the continued bleak economic environment, Circuit City is going out of business and the company's assets will be liquidated to pay off creditors.
- The process was extremely difficult and we were left with no other choice but to liquidate. Circuit City had a proud heritage of serving the public for 60 years and we deeply regret the impact this decision will have on our associates, our customers and the communities where we have operated stores and other facilities.
- We had hoped to be able to emerge from Chapter 11 Bankruptcy protection as a stronger, more competitive company and we made significant progress during the reorganization to improve our business. Unfortunately, the economic climate is so poor that we have no choice other than liquidation.
- Liquidators will start arriving in our 567 stores across the U.S. over the weekend, and closing sales will start as early as Saturday, January 17. Closing sales will run as long as it takes to sell existing inventory, but are expected to wrap up by the end of March. When the liquidation sales are completed, the stores will be closed.
- At the company's corporate offices in Richmond, Va., a small staff will remain on duty during the completion of the liquidation process; most associates will be relieved of their duties immediately.
- In some locations, a specific amount of notice regarding this change may be required by state or federal law. Regardless we are informing all locations as soon as possible.
- Associates at our company headquarters will be asked to come back on Monday, January 19, to find out more about their status and to retrieve their personal belongings.

2. Are you also shutting down your operations in Canada?

No, our Canadian operations will continue. They are not affected by the liquidation of Circuit City's U.S. operations. The Canadian operations employ approximately 3,000 associates.

3. What happens to the company's stock?

The company does not anticipate any value will remain from the bankruptcy estate for the holders of the company's common equity, although this will be determined in the continuing bankruptcy proceedings.

4. Are Circuit City's extended warranties affected by the liquidation?

No. Circuit City Advantage Protection Plans® (extended warranties) have been backed by third-party independent companies for more than 15 years and as a result, are not impacted by Circuit City's closing.

Currently, all Circuit City Advantage Protection Plans are fully backed by the Assurant Solutions companies. Assurant Solutions operates as Federal Warranty Service Corporation, Sureway, Inc.,

The funds in the 401(k) are held in trusts, annuity contracts or custodial accounts for the sole use of plan participants. Neither Circuit City nor its creditors may access those funds.

5. Can associates still take planned vacations?

All vacation requests will still require advance notice and permission from your supervisor; approval will be dependent on the operating needs of each department or store.

6. Are there any changes to Circuit City's paid-time-off (PTO) policy?

As a result of the bankruptcy filing, Circuit City will not pay Associates unused PTO hours upon termination of employment. To the extent an employee is terminated and at the time of termination has accrued, but has not used PTO, such employee will not receive payment of amounts on account of such PTO at the time of termination. Instead, during the bankruptcy proceeding, each employee (current and former) will receive a Proof of Claim Form. The Proof of Claim Form may be completed by each employee for any "claims", including, without limitation, unpaid PTO at the time the employee receives the Proof of Claim Form.

7. Will associates be reimbursed for expense reports that were filed prior to the filing?

Yes. We have received authority to make such payments.

8. What about the employee stock purchase plan (ESPP)?

The ESPP has been suspended. Associates currently enrolled in the plan should have received a letter that was mailed November 13 that explained that deductions since October 1, 2008, have not been used to purchase stock and will be refunded to participants. As of November 10, no new enrollees will be accepted into the plan.

9. What happens to the tuition reimbursement and adoption assistance programs?

Both of these programs have been suspended. We intend to honor the tuition reimbursement program for associates we currently have on record for the current semester (inclusive of November 10) who are properly enrolled in the program, but will not provide assistance for future terms.

10. Can we still use our associate purchase discount?

No. Effective immediately, the associate purchase discount is no longer in effect.

11. What happens to the Pension Plan?

Approximately 6,000 current associates are eligible for the plan which is held in a trust with Wachovia Bank, N.A. We will continue to pay benefits under the pension plan.

12. I have questions about the "Notice of Deadline for Filing Proofs of Claim" that I received in the mail. What do I do?

An FAQ about the Notice is accessible via a direct link to "Chapter 11 News Archive" from Company Headlines on ccity.com.
